

Internet on the Go at Lethbridge Public Library!

How to get a Chromebook and/or Mifi Hotspot

Check out a Chromebook or Mifi Hotspot through Internet on the Go at Lethbridge Public Library! Devices can be checked out for up to one week (no renewals).*

To check out a device through Internet on the Go, you must have a Library account in good standing and be over the age of 12. Only one Chromebook and one Mifi device can be checked out to a card at any given time.

To access a Chromebook or Mifi hotspot please visit our Computer Services Desk in the North Wing of the Main Branch.

How to Return a Chromebook and/or Mifi Hotspot

Returning your device is easy! Please do NOT use the after hours drop box or you may be responsible for damage to the device. Please bring your device back to our Computer Services Desk in the North Wing of the Main Branch.

*The Library will remotely disable any Chromebooks and Mifi Hotspots that are not returned by the due date. Once disabled, devices will not function again until they are returned and Library IT staff have restored them. Patrons are responsible for any damage or repair costs; please call 403-320-4102 for more information.

Printing on the Go

Need something printed? The Library can help you out!

1. Email what you need printed to print@lethlib.ca. Make sure to include number of copies, paper size, and colour or black and white. If we have any questions, we'll be in touch – so please include the best way to get in touch with you if return email is not your preference.
2. Library staff will contact you when it is ready to be picked up.
3. Printing can be picked up from the Main Branch Computer Services Desk, located in the North Wing.

* Costs for printing: for a limited time there is no fee for the first 5 pages, then \$0.25/page. Credit or Debit only.
