

Footprints on the Landscape

Alberta Parks & Pincher Creek Library's Winter Speaker Series

Available at the Lethbridge Public Library at 7 p.m. to 9 p.m.

Tuesday, January 19, 2016

Theatre Gallery (Main Branch)

Video Conference From Pincher Creek Library

"Here be Dragons – Microscopic Monsters from the Crown Of the Continent"

Presented by John & Kathleen Hancock

Join John & Kathleen on a journey under water to meet and view aquatic creatures that share our local landscape.

Tuesday, January 26, 2016

Theatre Gallery (Main Branch)

Video Conference

"Blazing a Trail by Covering Our Tracks"

Presented by Ryan Spencer from California State Parks

The perception of parks as self-contained, pristine "worlds unto themselves" isn't always true! Restoring healthy functioning ecosystems represents the newest frontier in park protection. Join Ryan Spencer, PORTS Interpreter, as he shares highlights from the efforts of Del Norte Coast and Prairie Creek Redwood State Park, to restore salmon, shorebird, and mammal habitat.

Tuesday, February 2, 2016

Community Meeting Room (Main Branch)

In Person Presentation at Lethbridge Public Library

"We Are All Downstream"

Presented by Anna Garleff & Doug Kaupp

In the development of the film "We Are All Down Stream", OWC's Anna Garleff had many guides on her tour of the watershed. One was City of Lethbridge Water & Waste Water Manager Doug Kaupp. Together they share the elements and considerations in bringing safe drinking water to communities.

Tuesday, February 9, 2016

Theatre Gallery (Main Branch)

Video Conference From Pincher Creek Library

"Stop Invasive Species in Your Tracks"

Presented by Kelly Cooley

Invasive species are plants, animals, and microorganisms that are not native to a particular area. They are also species that are capable of causing severe damage in areas outside their normal range, harming the economy, the environment, or human health once they become established.

Tuesday, February 16, 2016

Theatre Gallery (Main Branch)

Video Conference From Okotoks Public Library

"Do You Like to Dance? Discovering the Secrets of Sharp-tailed Grouse."

Presented by John Campbell

Few people have observed Sharp-tailed Grouse in the wild displaying their complex mating dances on traditional lek dancing grounds; fewer people know it happens right here! Join John, as he reveals video of Sharp-tailed Grouse in Southern Alberta leks, featuring photos from National Geographic awarding winning photographer Ken Crebbin.

Tuesday, February 23, 2016

Theatre Gallery (Main Branch)

Video Conference From Pincher Creek Library

"Sharing the Range - The Waterton Biosphere Association and the Blackfoot Challenge"

Presented by Nora Manners, Jeff Bectell, Jennifer Jenkins & the Blackfoot Challenge

Large carnivores roam along the front range of the Rocky Mountains, crossing the border between Montana and Alberta. Ranchers from both sides of the border share their perspective and methods they have used to meet the challenge of sharing the range.

Tuesday, March 1, 2016

Community Meeting Room (Main Branch)

Video Conference From Pincher Creek Library

"The Southwest Alberta Grizzly Bear Monitoring Project"

Presented by Andrea Morehouse, Ph. D.

The Southwest Alberta Grizzly Bear Monitoring Project (GBMP) tracked Grizzly Bears from 2011-2014, by analyzing hair samples collected from bear rub objects, fence crossings, and other opportunistic sampling locations with the aim to provide updated information of grizzly bear density and abundance within southwestern Alberta.

Tuesday, March 8, 2016

Theatre Gallery (Main Branch)

Video Conference From Okotoks Public Library

"Straddling the Divide – The Great Divide Trail"

Presented by Dave Hockney

The Great Divide Trail traverses the continental divide between Alberta and British Columbia, wandering through the Rocky Mountains for more than 1200 km. It is not officially signed and not always even an actual trail, sometimes merely a wilderness route, inspiring modern-day adventurers.

Tuesday, March 15, 2016

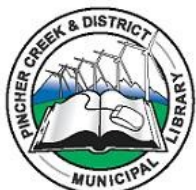

Theatre Gallery (Main Branch)

In Person Presentation at Lethbridge Public Library

"Engaging Recreationist – Dutch Creek Restoration Project"

Presented by Anna Garleff & Noreen Ambrose

In October, the OWC hosted a restoration for recreation event with the Crowsnest Pass Quad Squad, Trout Unlimited, Spray Lake Sawmills, and Cows & Fish. More than 50 dedicated volunteers built structural walls that encourage bridge use, and planted new willows and poplar trees. The restoration event provided an avenue for people to take action, strengthen their connection to the land and learn from each other.
