

Computer Access

Limited computer use access is available at the Main and Crossings branches.

Time slots will be 45 minutes in length starting at 10 a.m. Monday – Saturday; and 1 p.m. on Sunday.

There will be a limit of 10 customers per time slot at the Main Branch (Upper North Wing), and 7 customers per time slot at the Main Branch (Children’s Services).

There will be a limit of 5 customers per time slot at the Crossings Branch.
Computer area disinfecting will occur regularly throughout the day between time slots.

Please line up where indicated at each Branch for computer access.

Both Branches will have walk-in and bookable computer access availability. Customers are encouraged to book in advance when possible.

Computers will be available to those who arrive on a first-come, first-served basis, however if a time slot fills up, times will be assigned as needed.

Please bring your own headsets.

Next-day reservations can be requested and will be evaluated on a case-by-case basis. If you require special accommodation please call 403-320-4102 (Main Branch) or 403-320-4037 (Crossings Branch).

Printing will be available and managed by staff. There will be no fee for the first 5 pages printed per day per person.

Technology assistance will be available via remote solutions for in-Library desktop computers.

Hand sanitizer and masks will be available. Please follow physical distancing requirements.

The Library’s complete re-opening plan is available [here](#).
